IMMORTAL RAIN

VOLUME 6

BY
KAORI OZAKI

HAMBURG // LONDON // LOS ANGELES // TOKYO

For months
Machika has
searched for Raito,
finally steering
away on a plane
bound for the
capital, Raimet.
Along the way she
is aided by the
most unlikely of
allies—Eury Evans.
Later, at the Calvaria
headquarters,
Machika meets
Ya, who is secretly
unfolding his master
scheme. While Ya
sinisterly manipulates
Machika, Raito is freed
by Eury, who seems
to have had a change
of heart. Then, just
as Raito is racing to
Machika's side, one of
Ya's creatures attacks—
sending the young girl
plummeting out the
window!

Spill and
Whisper

Hello, everyone!

Here is the likely final main character of *Immortal Love*, *Para Falls*. What makes him unique is that he is based on a real person. I met this guy at the dentist where I had to check on my wisdom teeth. I was waiting in the tiny, dark X-ray room when this young doctor with a dirty white lab coat comes in, acting very aloof. He closes the heavy metal doors and starts talking to me with his tobacco-smelling breath.

When I was thinking
of a name for him,
my hand hit it.
"I'm up to the
knee in the
dental chair."
That it wasn't an
X-ray room.

"Open wide." He starts poking around
my mouth without even looking at the
X-ray. With fingers in my eyes, I manage
to say, "Ahhh, it isn't so in *anyway*."
He replies, "No, it'll go in much deeper
or I won't be able to take them out."

It was kind of painful...
Sleeping, and my wisdom
teeth look like this

Moreover, I'm so busy I haven't had time
to take them taken out. Um, what was I
talking about? Guess I better get started on
the next chapter. Sorry, see ya! - Kasei Oishi
